Crops Much Better Than Looked For - A Widow's Severe Affliction.

Special Correspondence.

Clarkston, Cache Co., Aug. 15 .- Harvesting is almost through and thrashing has commenced. The yield of grain is better than was anticipated some weeks ago. On the high land the yield in quality and quantity is good, notwithstanding the dry spell we have had.

We are having much wind of late, making it bad for heading the grain.

We were called upon Monday night, Aug. 13th, to mourn the loss of Agnes F. Jardine, who succumbed to typhoid fe-ver. She was a gentle and lovely child eleven years and four months old. She was the granddaughter of our Bishop John Jardine, and daughter of Mary E. Jardine. The affliction is a severe one to her widowed mother, who has lost all her family now but one little girl. She has the sympathy of the whole community in her bereavement.

ANNABELLA.

Local Improvements and Good Crops Attest the People's Prosperity.

Special Correspondence. Annabella, Sevier Co., Aug. 16.-This little place is improving very fast, A. D. Nebeker has just finished the masonry and outside carpenter work of a two thousand dollar brick house, and three others of about the same cost are in course of erection.

The fine rock school house, 38x78, is

quite attractive, the stone used in its construction being a bright white, making a fine contrast with the red rock

finishing stone.
Good crops have been raised here notwithstanding the drouth; the second crop of lucern is about as usual. The size of the stacks bear out this report.

The people here are in the cheese business extensively. There is no factory, the cheese being home-made. Six hundred pounds is the combined output per

day,
Bishop J. W. Fairbanks has raised some three hundred bushels of wheat without irrigation; while the land on which it was raised has prior to this been watered for years.

A heavy smoke is seen over the tops of the mountains south of Monroe, and east of this town, a strong wind blowing from the south, brings the smoke over the fact of the mountains like a thick yell. These mountain fires have been

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., says: "My wife the stuff has been shipped the past has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This su-preme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, faint-ing and dizzy spells. It is a godsend to weak, sickly, run-down people. She was the mother of ten children, eight of whom survive her. She died as she had lived a good and faithful Latter-day Saint, going through the trials and persecutions peculiar to this people, and was beloved by all who knew her, for her kindness of heart and unselfish devotion to others.

CROP OUTLOOK FAIR.

Crops are loking very well and grain first hay crop was good, but the next cutting will fall short; there are grasshoppers and bugs that are playing havoc with blossoms and seed.

Prevented a Tragedy.

Timely information given Mrs. Geo. Long, of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her; and she writes, this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of its power to cure all throat, chest and lung troubles. Only 50c and \$1.00. Guaran-teed. Trial bottles free at Z. C. M. I. Drug Dept.

Special Correspondence.

Morgan, Morgan Co., Aug. 11.— Wednesday last, the 15th, was quite a gala day in Morgan City, for the old folks over 60 years of age—from all wards of the Stake. The missionaries' wives, and the widows were invited guests irrespective of age. Carriages were provided by the ward committees to convey the guests to the court house grounds, where, at 10 o'clock in the morning, a very interesting program was rendered till 1 o'clock, when all were marched to the Stake house, headed by the brass band. Here tables were spread with everything to satisfy the inner man. About 200 old folks were present, the oldest being Father Ozias Kilbourn of Porterville, he being 30 years old last March, who invoked the blessings of God upon the repast and its

Thrashing is progressing. The health of the people is good, and prosperity abounds.

Examine the eighty-foot ledge of gilson-lite being worked by George C. Whitemore, the Nephi banker, and his associates, and it is said here if the stuff pans out as anticipated by all contained there will be a cash deposit cerned, there will be a cash deposit made by Seaboldt before he takes the month to Denver, and its quality for month to Denver, and its quality for roofing and lining reservoirs having been established, more consignmedints are to be made. The material is marketed for a sum which equals about \$30 the ton on board the cars at Sunnyside, and is the strongest competitor the St. Louis Gilson Asphaltum company has. The Sunnyside company has advantage of the St. Louis concern in that its wagon haul is but seven miles, while that of the other is ninetysix miles to the rallroad.

FUNERAL OF L. D. BUNCE.

The funeral services over the remains of L. D. Bunce, who died here yester-day, will be held from the residence of his son, J. D. Dunce, tomorrow, and the remains interred at the Price cemetery. He was born in Missouri and previous to locating in Utah served with distinction in the Mexican war under County Wyren.

Special Correspondence.

Circleville, Piute County, Aug. 11.—
Your Richfield correspondent in his article of August 7th, sets forth the claim, (which we are willing to concede) that since the running of the line between piute and Sevier counties, Koosharem is found to be a quarter of a mile in the latter instead of in Piute county. It is also claimed that Koosharem was the foremost town in our county, this we wish to correct, for in the mutter of enterprise, in building and beautifying their homes, there is not a town in the county that has not shown as much as or more that her V. in the county that has not shown as much as or more that has Koosharem, while the town of Circleville has nearly
